## Das Apartment Haus Unterrath/Airport

### Dusseldorf

Unterrath Apartments has an important traffic position. At its northern edge, a transport hub will most importance to Dusseldorf, close and distant regions. The Dusseldorf Airport, situated in Lohausen, is directly connected to Unterrath. Unterrath is a district in the north of the inner periphery of Dusseldorf and an changing district. In Unterrath was previously found more of a predominantly residential district for the older population, rather than just in the last few years a re-orientation. It outweigh row and detached houses. Often you will find older buildings. The district is scattered with numerous small green areas. On the major roads, the entrances and exit routes to the north, new buildings, district office and commercial space develop. Thus, the complex has expanded at Dusseldorf Airport, starting from Lohausen after Unterrath. There are access roads to the highways A44, A52/B1 and B8. From the S-Bahn/Rath, located on the railway line between Cologne and Duisburg, yo...
