## Soulmade by Living Hotel

### Garching

Hosting with all our heart and soul. That's what it's all about at SOULMADE. Quietly located in the green Munich-Garching, SOULMADE is your point of departure, away from the hustle and bustle of the city center. With 139 rooms, all equipped with kitchenettes, separate working and living areas, we offer more than just accommodation. We have everything to help you enjoy your stay, regardless if it is a brief or longer one. Enjoy staying in rooms that impress with their unique and award-winning design. Our rooms are living spaces where you can relax, and experience what it means to live surrounded by fragrant wood and friendly colors. It's certainly not just living in a room with a bed. Speaking of beds: all our beds are metal-free for a more relaxing sleep. Relaxation is the keyword when you enter our Living Room. We've gotten rid of the classic lobby. Instead, we offer a living room including a sofa corner, a bar, and an open fireplace. Not to mention many books which you are welcome ...
