

# THE APARTMENT SERVICE WORLDWIDE

## The Rumley Lofts

### Saskatoon

The Rumley Lofts were originally built in downtown Saskatoon in 1912 as a warehouse for farm machinery and has since been converted into modern, loft-style condos. These exclusive and very spacious condominiums offer high ceilings, polished concrete flooring and original brick feature walls. The style and character of these condominiums are brought together with maple cabinetry, granite countertops and pewter light fixtures. The modern kitchens are fully equipped come complete with stainless steel appliances and there is also a separate dining area. The washrooms are spacious and bright and offer both a soaker tub and a separate glass

224 Pacific Avenue,
