iPartment Concrete Cologne Muhlheim

Cologne

In our brand new Apartment in the trendy neighbourhood of Muelheim pure and original materials such as concrete and wood encounter modern design for an innovative living experience on a temporary basis. Best of all is the energy consumption: as a passive house it has a cogeneration unit to produce electricity and heat, providing a consistent 20 degrees Celsius without any heating costs. Excess electricity can be used to power electric vehicles in the courtyard.

At approx. 53 sqm, the Apartment is our loft apartment on the upper floor. Its sophisticated interior design exudes architectural finesse and a touch of elegance. The generous open floor plan and elegant equipment will match any of your needs.
