Cologne

Welcome to Cologne-Deutz! This neighbourhood is not only quiet but in the immediate vicinity of the KölnMesse (Cologne Fair) and close to the newly emerging MesseCity, where Lanxess, RTL and the Zürich Insurance will be situated. In our freshly refurbished old-style building with only ten apartments you will enjoy the new apartment interior design: Classy grey and earth colours combined with brass highlights such as handles and knobs by Buster + Punch from London, real wooden floors and attuned colours on wall surfaces and a sophisticated lighting equipment

Ferdinandstrasse 29, Deutz
