

Sterling House

London

Welcome home to Sterling House by Roomspace. This development of one bedroom apartments offers the business traveller comfortable, well-laid out accommodation in the heart of the city. All apartments benefit from unlimited high speed internet connectivity and a Bluetooth-enabled speaker system to ensure these apartments are the perfect place to connect for work or to relax and unwind. The City of London enjoys a mix of historic buildings nestled alongside impressive new architecture, with an abundance of noteworthy pubs and restaurants. Several global banks and insurance companies have a significant presence in this area, which is located a few seconds from Chancery Lane Underground Station, on the Central Line, which connects you to the rest of the Underground system easily.
