## Sweet Inn Apartments - Sport Design Sant Pau Barcelona

In the historic Sagrada Familia district of Barcelona, the 3-bedroom Sport Design Sant Pau vacation apartment is a perfect place to start your Spanish adventure. The sprawling Parc del Guinardo is within walking distance (15 min), as are Gaudis architectural masterpieces, the Sagrada Familia Basilica (19 min) and Recinte Modernista de Sant Pau (7 min). Diverse restaurants and shops surround the apartment. The nearest Metro stop, Cam de L'Arpa, is just a two-minute stroll away.

Inspired by the Barcelona Football Club, our local interior designer has created a modern, sporty space. Three plush bedrooms, two double and one single, make this a comfy retreat for families or groups of friends. Two bathrooms and a state-of-the-art kitchen will make you feel at home, and colorful decorative accents spruce up the walls.
